## Top Size Holland Bulbs Backed By J & P Guarantee

When I visited Holland recently, I was welcomed as Charles H. Perkins, President of Jackson & Perkins, America's largest Rose growers. You can imagine the community of interests between Holland's largest and most famous tulip growers and myself. Naturally these fine gentlemen told me about the wonderful new varieties they had coming, and gave me first crack at many of them for the American market. Of course, it didn't hurt my chances any to have the backing of my thousands of rose growing friends in America, whom I knew would join the opportunity to get these new varieties as soon as they were available. And here, now, I am offering not only the fabulous Holland's Glory, but several other new ones that will be the talk of gardeners all over the country when they bloom in April. And not only the new varieties but all the old favorites—Red Emperor, Orange Parrot, Parrot Wonder, the Giant Flowering Crocus, and Giant Hyacinths. You will be thrilled by the new Peacock Tulips and the Lily Flowered. All finest quality and guaranteed by J & P to live and bloom in your garden.

## NEW! LILY-FLOWERED DUTCH TULIPS! TOP SIZE BULBS

Lily-flowered Tulips bloom the same time as the Cottage Tulips and are best used where a light, airy, and graceful effect is desired. The delicately curved petals give a delightful effect. As a flower cutting, it surpasses the regular Tulip because they are so much more graceful. These very attractive, long, slim flowers, with elegantly curved pointy and reflexing petals are called Lily Flowering Tulips, on account of their shape, which somewhat resembles the shape of some of the Lilies. They are splendid for group plantings and borders.
